Mixxx default keyboard mapping
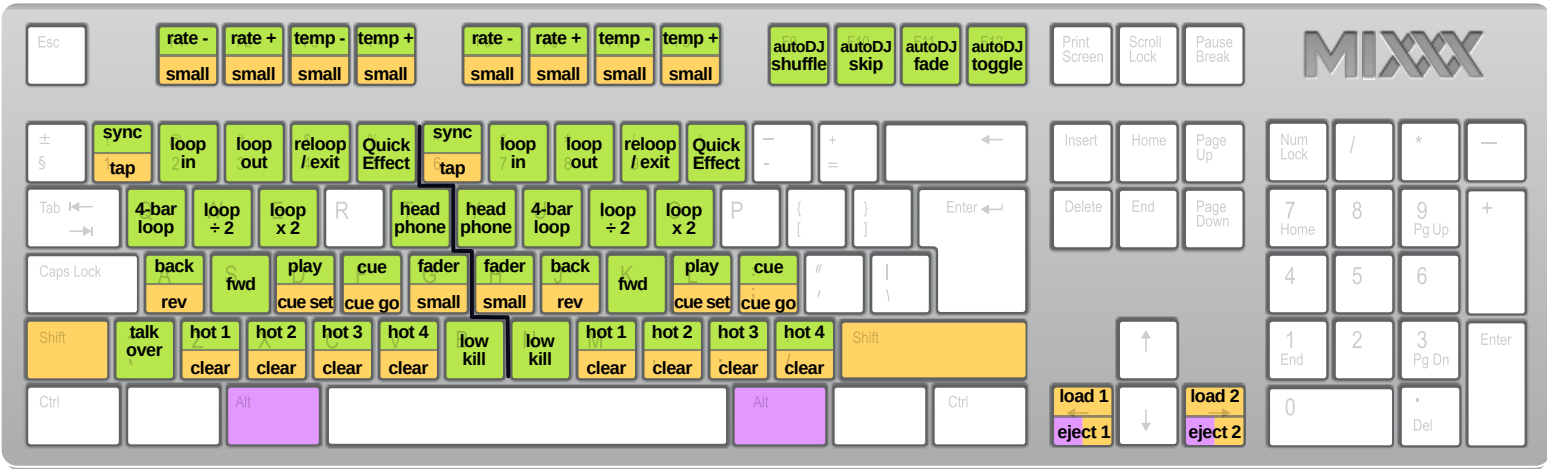

You can make your own custom keyboard mapping.
https://manual.mixxx.org/2.3/en/chapters/advanced_topics.html#making-a-custom-keyboard-mapping

List of controls that can be used in the keyboard mapping:
https://manual.mixxx.org/2.3/en/chapters/advanced_topics.html#mixxx-controls

Custom keyboard mappings can be shared with others in the Mixxx user customizations forum:
https://mixxx.discourse.group/c/keyboard-mappings/12
